Item 5. Other Events.

Sonoco Products Company announced that it has called for redemption on September 28, 1997, all of its outstanding shares of \$2.25 Series A Cumulative Convertible Preferred Stock (the "Preferred Stock"). Sonoco will pay the sum of (i) \$51.575, plus (ii) \$0.363, representing the amount of accrued and unpaid dividends to the redemption date, on each share of Preferred Stock, for a total payment of \$51.938 per share of Preferred Stock.

As an alternative to redemption and at the option of the holder, the shares of Preferred Stock are convertible until 5:00 p.m. (Eastern Daylight Time) on September 25, 1997 into Sonoco's common shares at a conversion rate equal to 2.074 Sonoco common shares per share of Preferred Stock. In lieu of fractional shares, an equivalent amount (based on the closing price of Sonoco common shares as reported on the New York Stock Exchange Composite Tape on the last trading day prior to the date of conversion) will be paid in cash by Sonoco.

As long as the price of Sonoco common shares remains above \$25.042 per share, holders of the Preferred Stock will receive more value upon conversion of the shares of Preferred Stock into Sonoco common shares (including cash paid in lieu of fractional shares) than they would otherwise receive upon redemption (without giving effect to commissions and other costs of sale). As reported on the New York Stock Exchange Composite Tape on August 27, 1997, the closing price of Sonoco common shares was \$32.750 per share and the closing price of the Preferred Stock was \$68.500 per share. On June 29, 1997, Sonoco had outstanding an aggregate of 95,368,983 common shares, which assumes the conversion of all outstanding Preferred Stock.

Items 6-9. Not Applicable.
