PROXY STATEMENT

GENERAL INFORMATION

INFORMATION CONCERNING THE SOLICITATION

This statement is furnished in connection with the solicitation of proxies to be used at the Annual Meeting of Shareholders ("Annual Meeting") of Sonoco Products Company (the "Company"), a South Carolina corporation, to be held on April 15, 1998.

The solicitation of proxies in the enclosed form is made on behalf of the Board of Directors of the Company.

The cost of preparing, assembling and mailing the proxy material and of reimbursing brokers, nominees and fiduciaries for the out-of-pocket and clerical expense of transmitting copies of the proxy material to the beneficial owners of shares held of record by such persons will be borne by the Company. The Company does not intend to solicit proxies otherwise than by use of the mail; however, certain officers and regular employees of the Company or its subsidiaries, without additional compensation, may use their personal efforts by telephone, telefacsimile, e-mail, or by personal calls to obtain proxies.

The proxy materials are being mailed on March 13, 1998, to shareholders of record at the close of business on February 27, 1998.

Any shareholder who executes and delivers a proxy has the right to revoke it at any time before it is voted. The proxy can be revoked by a shareholder of record by giving notice of revocation at the Annual Meeting, or by delivery to the Secretary of the Company, Post Office Box 160, Hartsville, South Carolina, 29551-0160, of an instrument which by its terms revokes the proxy, or by delivery to the Secretary of a duly executed proxy bearing a later date. Any record shareholder who desires to do so can attend the meeting and vote in person in which case the proxy will not be used.

Shares represented by all properly executed proxies delivered pursuant to this solicitation will be voted at the Annual Meeting or any adjournment thereof. With respect to the election of directors and to any of the proposals for which a choice is provided, the proxy will be voted in the manner directed by the shareholder. If no direction is made, the proxy will be voted FOR the persons named in this Proxy Statement as the Board of Directors' nominees for election to the Board of Directors and FOR approval of selection of Coopers & Lybrand L.L.P. as the Company's independent auditors for the fiscal year ending December 31, 1998. As to any other matter of business that may be brought before the Annual Meeting, a vote may be cast pursuant to the accompanying proxy in accordance with the best judgment of the persons holding the proxy, but the Board of Directors presently does not know of any other such business.

OUTSTANDING SECURITIES

The Company has authorized two classes of stock consisting of 150,000,000 authorized shares of no par value Common Stock, of which 93,514,415 shares were outstanding at February 27, 1998, and 30,000,000 authorized shares of no par value Preferred Stock, none of which is outstanding.

VOTING SECURITIES

Only shareholders of record of the Company's Common Stock at the close of business on February 27, 1998, will be entitled to vote at the Annual Meeting. Each share outstanding will be entitled to one vote on each matter submitted at the Annual Meeting.

A majority of the shares entitled to be voted at the Annual Meeting constitutes a quorum. If a share is represented for any purpose at the Annual Meeting by the presence of the registered owner or a person holding a valid proxy for the registered owner, it is deemed to be present for purposes of establishing a quorum. Therefore, valid proxies which are marked "Abstain" or "Withhold" and shares that are not voted, including proxies submitted by brokers that are the record owners of shares (so-called "broker non-votes"), will be included in determining the number of votes present or represented at the Annual Meeting.

If a quorum is present at the Annual Meeting, directors will be elected by a plurality of the votes cast by shares present and entitled to vote at the Annual Meeting. Votes that are withheld or that are not voted in the election of directors will have no effect on the outcome of election of directors. Cumulative voting is not permitted.

Approval of selection of Coopers & Lybrand L.L.P., as independent auditors, and approval of any other matter that may be brought before the meeting require that the votes cast in favor of the matter exceed the votes cast against the matter. Votes that are withheld or shares that are not voted will have no effect on the outcome of such matters.

There is no person known by the management of the Company to own of record or beneficially more than 5% of the outstanding voting shares of the Company.

ELECTION OF DIRECTORS

At this Annual Meeting six directors are to be elected, five of whom shall hold office for the next three years, their terms expiring at the Annual Shareholders' Meeting in 2001, and one of whom shall hold office for the next two years, his term expiring at the Annual Shareholders' Meeting in 2000, or until their successors are duly elected and qualified. It is the intention of the persons named on the enclosed form of proxy to vote such proxy FOR the election of the six persons named herein unless authority to vote is withheld for all or any of the nominees. Proxies will not be voted for a greater number of persons than the number of nominees named. Each nominee has been recommended for election by the Board of Directors.

EXECUTIVE COMPENSATION COMMITTEE'S REPORT TO SHAREHOLDERS

The Executive Compensation Committee of the Board of Directors (the "Committee") is responsible for setting the remuneration levels for executives of the Company. It also oversees the Company's various executive compensation plans, as well as the overall management compensation program. Additionally, the Committee reviews and plans for top management succession and reviews executive job performance. The Committee periodically evaluates the Company's executive compensation program in terms of appropriateness, including competitive positioning relative to other companies' practices. The Committee obtains independent and impartial advice from external compensation consulting firms in order to maintain objectivity in executing its responsibilities. The Committee met five times during 1997 and had met once in 1998 as of the printing of this report.

PHILOSOPHY

The executive compensation program has been designed to attract, motivate, reward, and retain senior management by providing competitive total compensation opportunities based on performance, teamwork and the creation of shareholder value. The program currently consists of salary, annual cash bonus awards, annual stock options, periodic contingent share awards, perquisites, and employee benefits.

In order to determine competitive compensation levels, the Company participates in a number of surveys conducted by independent consulting firms. In these surveys executive compensation levels are developed by looking at large numbers of similar positions across American industry and reflect adjustments based on company revenues. The Dow Jones Containers & Packaging Group Index ("Index"), which includes the Company, was used in the five-year shareholder return performance graph that appears on Page 17. The companies in this Index also are included, as available, among the companies whose survey data is used in the Company's compensation studies. From time to time the Company contracts with independent consulting firms to perform customized compensation studies of companies in its industry group and/or of companies having similar long-term financial performance results.

The total compensation package for executives for 1997 was structured to be competitive with the third quartile total pay practices for executives of other large corporations if challenging annual financial targets and corresponding longer-term increases in shareholder value were achieved. The base salary midpoints were targeted to be at the median of surveyed market rates. Incentive compensation, consisting of annual cash bonuses, annual stock options awards and periodic contingent share awards, was targeted at above-median competitive levels. These awards provided opportunities to motivate and reward executives for exceptional performance. Executive perquisites were limited and provided a lower benefit than the market median. The benefits program for executives provided a benefit that was somewhat higher than the market median. This benefits program, in particular the retirement and life insurance plans, was designed to enhance retention of executives until normal retirement age.

The Committee has taken, and it intends to continue to take, steps necessary to assure the federal tax deductibility of compensation realized by senior executives. However, to the extent that such steps would not be practical or would not be consistent with the Committee's compensation objectives, there is the possibility that future compensation, in some circumstances, may not meet tax deductibility requirements.

Following is a discussion of elements of the executive compensation program, along with a description of the decisions and actions taken by the Committee with regard to 1997 compensation. Also included is a specific discussion of the decisions regarding Mr. Coker's compensation for performing the duties of Chairman and Chief Executive Officer ("CEO"). The tables and accompanying narrative and footnotes which follow this report reflect the decisions covered by the discussions below.

SALARY

The Company's salary ranges and resulting salaries are based on a relative valuing of the duties and responsibilities of each position. The Committee reviews the base salaries of all senior executives on an annual basis.

Merit salary increases are based on consideration of each executive's performance and position in his or her salary range. Promotional salary increases are awarded to recognize increased responsibilities and accountabilities. The Committee used these criteria to determine salary adjustments for each of the executive officers, including Mr. Coker, whose most recent increase was effective June 1, 1997.

ANNUAL BONUS AWARDS

The Company has a bonus plan which for 1997 provided for cash incentive opportunities based upon achievement of pre-determined annual financial performance goals, as well as attainment of key individual strategic and operational objectives. The purpose of this plan is to link a significant portion of executive pay to both the Company's operating performance for the year and to critical issues affecting the long-term health of the Company.

Financial performance goals were weighted from 73% to 100% of total bonus opportunity. For senior executives with corporate responsibility, the plan's financial goals were based on corporate earnings per share from ongoing operations. For executives with business unit responsibility, one half of the bonus opportunity available for financial performance was based on corporate earnings per share, and the remainder was based on business unit profit before interest and taxes.

The key strategic and operational objectives for 1997, which were weighted from 0% to 27% of total bonus opportunity, varied by individual and included employee safety, Vision 2000 goals, customer satisfaction, business development, strategic acquisitions, technology innovation, management succession and employee development, process improvement, total quality management, and environmental protection.

On February 3, 1998, the Committee reviewed and approved the 1997 annual bonus awards for executive officers. Initial bonus amounts were assigned to each executive officer (except Messrs. Coker, Browning, DeLoach, and Moran) based on the scoring of financial goal attainment and subjective evaluations of how well the personalized objectives were met. In some cases the Committee used additional discretion based on its assessment of individual performance and internal equity in the determination of final bonus amounts. Mr. Coker's bonus, which reflects the Committee's assessment of his contribution and efforts in 1997, is shown under the "Bonus" caption in the Summary Compensation Table on Page 18. In setting the amount the Committee considered, in addition to the record level of earnings per share (excluding the one-time asset impairment charge), his performance in leading the Company and his role in establishing strategic initiatives

and implementing operational plans. The amount of Mr. Coker's bonus was less than the maximum that could have been paid under the earnings per share schedule adopted for him by the Committee in early 1997. Messrs. Browning, DeLoach and Moran's bonus awards also were determined in the same manner as Mr. Coker's bonus award.

STOCK OPTIONS

In 1997 Mr. Coker, the executive officers and other key management employees were granted options to purchase shares of Common Stock by the Committee under a plan which previously had been approved by the Company's shareholders. The price of these options was set at the prevailing market price on the date the options were awarded. Accordingly, these options will be valuable to the recipients only if the market price of Company stock increases. Stock option awards, annual cash bonus opportunities and periodic long-term contingent share awards are the Company's performance-based compensation elements. The level of the combined award opportunities for Mr. Coker reflects third quartile competitive total annual incentive compensation opportunities for similar CEO positions as reported by the independent consulting firms. Stock option awards for Mr. Coker and the four other named officers are included in the Summary Compensation Table on Page 18 under the caption "Number of Securities Underlying Options Granted" and in the Option Grants in Last Fiscal Year table on Page 20.

OTHER

On September 2, 1997, the Committee granted one-time awards of contingent share units to twenty-five executives, including Mr. Coker and the four other executive officers named in the Summary Compensation Table. These awards, consisting of performance-based restricted shares of Common Stock, were granted to provide corporate and business unit managers with an additional compensation opportunity which can be realized only if targeted creation of shareholder value also is achieved. The number of restricted shares granted was based on the Committee's judgment as to the appropriate size of an award, given its intent, and the individual's current salary level. Any shares disbursed as a part of this program will be funded from shares allocated in the 1991 Key Employee Stock Plan and, in order to minimize dilution, will consist entirely of previously-issued shares that are acquired by the Company and retired or canceled.

The award to Mr. Coker reflects the Committee's recognition of his excellent contributions and outstanding leadership in the development of strategic direction and succession plans for the Company. The awards to Mr. Coker and the other participants also are intended to reward achievement of above-average shareholder returns. As described in more detail on Page 19, awards will vest depending on stock price performance during the last 24 months of the four-year performance period. Except for death, disability or retirement other than for cause, termination of a participant's employment prior to the end of the performance period will result in forfeiture of an award.

The exercise price can be paid by cash or by the delivery of previously-owned shares. Tax obligations also can be paid by an offset of the underlying shares.

(2) The amounts in these columns are the result of calculations based on the assumption that the market price of the Common Stock will appreciate in value from the date of grant to the end of the ten-year option term at the rates of 5% and 10% per year. The 5% and 10% annual appreciation assumptions are required by the Securities and Exchange Commission; they are not intended to forecast possible future appreciation, if any, of the Company's stock price.

PENSION TABLE

Named executive officers participate in a non-contributory defined benefit program which provides for a maximum annual lifetime retirement benefit equal to 60% of final average compensation, computed as a straight life annuity, based on the highest three of the last seven calendar years. In order to receive the full benefit the executive must have at least 15 years of service and retire no earlier than age 65. Eligible spouses (married one year or longer at the executive's retirement date) receive survivor benefits at a rate of 75% of the benefit paid to the executives. The total benefit provided by the Company is offset by 100% of primary U.S. Social Security.

DIRECTORS' COMPENSATION

Employee directors receive no additional compensation for their services as members of the Board of Directors. Effective July 1, 1995, non-employee directors were paid a \$10,000 quarterly retainer fee, and a \$1,000 attendance fee for special meetings. On April 1, 1997, the quarterly retainer fee was increased to \$10,500.

On an annual basis directors are able to elect to defer part or all of their retainer and special meeting fees. Directors can choose to have their deferrals earn interest credits at a market rate or be treated as if invested in equivalent units of Common Stock (which are credited with reinvested dividend equivalents). Alternatively, directors can elect to receive, in lieu of part or all of their compensation, stock options under the 1996 Non-Employee Directors' Stock Plan (the "Directors' Plan"). For each one dollar of foregone compensation, the director will receive an at-the-money option covering four dollars of Common Stock. During 1997 three directors received the following number of stock options for foregone compensation: R. J. Brown -- 2,392 shares; J. C. Fort -- 5,839 shares; and B. L. M. Kasriel -- 2,758 shares.

Under the Directors' Plan, at the first regularly scheduled meeting of the Board of Directors during a calendar year, each non-employee director, who is then currently serving as such, is granted a stock option at 100% of the fair market value covering 2,000 shares of Common Stock. Any person who subsequently becomes a non-employee director also receives an at-the-money stock option with the number of shares reduced 25% for each elapsed full quarter of the calendar year during which such person has not served as a non-employee director. During 1997 each non-employee director received an option covering 2,000 shares.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. A. T. Dickson, C. J. Bradshaw, R. E. Elbertson, Paul Fulton, B. L. M. Kasriel, E. H. Lawton, Jr. and Mrs. D. D. Young served on the Company's Executive Compensation Committee during the year ended December 31, 1997.

Mr. A. T. Dickson and Mr. Paul Fulton are directors of NationsBank Corporation and Mr. C. J. Bradshaw is a director of Wachovia Bank, N.A. During the third quarter of 1996 NationsBank, N.A. served as agent to provide a five-year committed revolving line of credit for \$450,000,000 to support the Company's commercial paper program and general corporate purposes. NationsBank, N.A.'s commitment to this facility is \$43,000,000. Wachovia Bank, N.A.'s commitment to this facility is \$37,000,000. Committed lines of credit from both banks have been in place since 1987 and have been renewed, amended, and increased or decreased according to the Company's needs. NationsBank, N.A. and Wachovia Bank, N.A. have extended other lines of credit to the Company as support for letters of credit, overdrafts and other corporate needs. They also provide treasury management services to the Company. The Company pays fees to both banks for these services and for the availability of the lines of credit, as well as interest on borrowed funds. Additionally, on February 17, 1998, the Company privately purchased 1.2 million shares of its Common Stock from NationsBank Montgomery Securities in connection with the repurchase of the Company's Common Stock authorized by the Board of Directors in October and December 1997. All transactions were handled on a competitive basis. Management is convinced that the rates and provisions were as favorable to the Company as otherwise could have been obtained.

Mr. H. L. McColl, Jr., an executive officer of NationsBank Corporation, is a member of the Company's Board but is not a member of the Company's Executive Compensation Committee. Mr. C. W. Coker, Chairman and Chief Executive Officer of the Company, is a member of NationsBank Corporation's Compensation Committee.

Mr. A. T. Dickson, an executive officer of Ruddick Corporation, is a member of the Company's Compensation Committee. Mr. H. L. McColl, Jr., an executive officer of NationsBank Corporation and a director of the Company, is a director of Ruddick Corporation.

Mr. P. C. Browning, President and Chief Operating Officer of the Company, serves as a director of Phoenix Home Life Mutual Insurance Company. Mrs. D. D. Young, an executive officer of Phoenix Home Life Mutual Insurance Company, serves on the Company's Executive Compensation Committee.

TRANSACTIONS WITH MANAGEMENT

Mr. H. L. McColl, Jr. is Chief Executive Officer and Director of NationsBank Corporation. Messrs. C. W. Coker, A. T. Dickson and Paul Fulton are directors of NationsBank Corporation, and Mr. E. C. Wall, Jr., who died on March 5, 1997, was a director of NationsBank Corporation. Mr. P. C. Browning is a director of Wachovia Corporation. Mr. C. J. Bradshaw is a director of Wachovia Bank, N.A. Mr. T. C. Coxe III is a director emeritus of Wachovia Bank, N.A. See the "Compensation Committee Interlocks and Insider Participation" section above.

Mr. R. J. Brown is a director of First Union Corporation. First Union National Bank of South Carolina provides a line of credit of \$37,000,000 similar to that of Wachovia Bank, N.A. and NationsBank, N.A. to support the Company's commercial paper program and general corporate purposes. It also provides trustee services. The Company pays fees to First Union National Bank of South Carolina for the availability of the credit line and for the trustee services.

During 1997 the Company purchased lumber from a company of which Mr. E. C. Wall, Jr., who was a director of the Company, was Chairman of the Board and more than a 10% beneficial owner. Mr. T. C. Coxe III, a director and former executive officer of the Company, also is a director of this company. The aggregate purchase price of the lumber was approximately \$926,000. During the year the Company purchased pulpwood from another company of which Mr. Wall was Chairman and more than a 10% beneficial owner. The aggregate purchase price of the pulpwood was approximately \$194,000.

The Company also purchased timber during the year from a trust of which Mr. T. C. Coxe III, a director and former executive officer of the Company, is trustee and more than a 10% beneficial owner. The aggregate purchase price of the timber was approximately \$425,000.

The Company purchased wooden pallets from a company of which Mr. J. C. Fort, a director of the Company, is more than a 10% beneficial owner. The aggregate purchase price of the pallets was approximately \$586,000. The Company, in turn, sold to the same company approximately \$904,000 in hardwood timbers.

It is anticipated that the Company will continue to engage in similar business transactions with the foregoing entities in 1998.

Management of the Company believes the prices and terms of the transactions reported above were comparable to those the Company could have obtained from unaffiliated third parties.

APPROVAL OF INDEPENDENT AUDITORS

Selection of the Company's independent auditors is to be approved by the shareholders. The firm of Coopers & Lybrand L.L.P., Certified Public Accountants, has audited the books and records of the Company for many years, and the Audit Committee of the Board of Directors recommends continuing the services of this firm. Representatives of Coopers & Lybrand L.L.P. will be present and available to answer any questions that may arise at the Annual Meeting and may make a statement if they so desire.

Coxe III, former executive officer and a current director of the Company, covering an accrual for stock units and subsequent dividend equivalent rights applicable to deferred compensation issued pursuant to the Company's Deferred Compensation Plan for Officers.
