Forward-Looking Statements / Non-GAAP Financial Measures

Today's presentation contains a number of forward-looking statements based on current expectations, estimates and projections. These statements are not guarantees of future performance and are subject to certain risks and uncertainties. Therefore, actual results may differ materially.

Information about the Company's use of non-GAAP financial measures, why management believes presentation of non-GAAP financial measures provides useful information to investors about the Company's financial condition and results of operations, and the purposes for which management uses non-GAAP financial measures is included in the Company's Annual Report and on the Company's website at sonoco.com under Investor Relations, Webcasts & Presentations, Non-GAAP Reconciliations for Q4 and full-year 2020 Earnings Presentation and 2021 Outlook.

Pursuant to the requirements of Regulation G, the Company has provided definitions of the non-GAAP measures discussed during this presentation as well as reconciliations of those measures to the most closely related GAAP measure on its website at sonoco.com.

This presentation does not constitute the solicitation of the purchase or sale of any securities.

Rodger Fuller

Executive Vice President

Rodger Fuller, 59, is Executive Vice President of Sonoco, overseeing all Industrial and Consumer operations globally, which also includes the Company's Display and Packaging and Protective Solutions segments. In this role, Fuller has responsibility for all of Sonoco's global operations serving customers across 36 countries as well as the Company's Supply Management and Logistics organization. He previously served as Senior Vice President, Global Consumer Packaging, Display & Packaging and Protective Solutions. In this role, he had responsibility for all of Sonoco's Consumer-related businesses, including Global Rigid Paper and Closures; Global Plastics; Global Flexible Packaging; Display & Packaging; and Protective Solutions.

Fuller also served as Senior Vice President, Paper/Engineered Carriers U.S./Canada and Display & Packaging. In this role, he had responsibility for the Company's Paper and Engineered Carriers businesses, including 12 uncoated recycled paper mills, 24 recovered paper recycling facilities, 40 tube and core converting facilities and 16 wire and cable reels centers, serving customers throughout the U.S. and Canada. He also led the Company's Display and Packaging business, which operates 25 manufacturing and packaging facilities in the United States, Mexico, Poland and Brazil.

Previously, Fuller was Group Vice President at Sonoco. He has held leadership positions in both Consumer and Industrial businesses during his 34-year career with Sonoco.

Fuller graduated from Berry College in Rome, Georgia, with a B.S. in business administration, and he received an MBA from Emory University. He is active in industry and community service organizations, including serving on the board of the Paper and Packaging Board, American Forest and Paper Association and the Hartsville United Way.

He and his wife, Helen, have two grown children and reside in Hartsville.

Sonoco is a Global Essential Service Provider

- We are the global leader in paper food cans and provide flexible and rigid plastic food packaging
 - 80% of Sonoco's Consumer Packaging products are for food
- We are the global leader in the production of uncoated recycled paperboard, tubes, cores and cones
- We are a provider of healthcare, protective and retail packaging
 - Industrial plastic products
 - Display and packaging

Better Packaging. *Better* Life.

First Quarter Update

- January was a strong month due to solid volume/mix across Consumer and Industrial businesses.
- However, operations were impacted by February Winter Storm Uri
 - More than 40 U.S. plants were impacted by loss of energy (natural gas/electricity)
 - Including 4 URB paper mills
 - 21 total Industrial facilities
 - 12 Consumer operations
 - 6 Protective operations
 - All operations resumed production by the last week of February
 - Storm further aggravated raw material and freight inflation
- Volumes remain strong and inventories tight (URB, medium, Consumer Products)

No change to 1Q 2021 EPS guidance of \$0.80 to \$0.90

No changes to FY 2021 guidance of \$3.40 to \$3.60

Fourth Quarter 2020

Sonoco Acquires Can Packaging

- Adds advanced innovation and production of sustainable paper packaging in Europe
- 2020 annualized sales of approximately \$27 million
- Two production facilities and R&D center in France
- Featured Product: Greencan® recyclable paperboard package (92% to 98% paperboard)
- Proprietary manufacturing equipment, suitable for global growth markets

Sonoco Divests Europe Contract Packaging Business

- Sold to Prairie Industries Holdings (backed by The Halifax Group) for \$120 million
- Business had net sales of \$302 million in 2019 and 2,600 associates (excluding temps)
- Divestiture aligns with the Company's effort to focus on its Core Consumer- and Industrial-related businesses
- Divestiture of the business impacts base EPS in 2021 by about 15-cents

ThermoSafe COVID Vaccine Update

Leading Vaccine Candidates & Temp Ranges

Pfizer – Deep Frozen (-60C)	Johnson & Johnson – Frozen (-20C)
Moderna – Frozen (-20C)	NovaVax – Frozen (-20C)
Astra Zeneca – Frozen (-20C)	CureVax – Frozen (-20C)

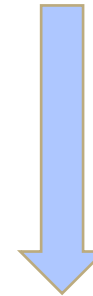

- Distribution process will change and is chaotic today
- Dosage/shipper will reduce and cost per shipment will reduce
- **Multiple projects ongoing with various distribution network partners**
- Share and size will change as distribution evolves
- Equal or greater number of new (non-COVID) vaccines need support and drive growth
- COVID therapies are another key growth area (Merck, Eli Lilly, Regeneron)

**Our growth will be enhanced by
COVID but not defined by COVID**

Typical Flu Season:

140MM doses
Requires 425K EPS coolers
11MM refrigerants
Average 300 doses per shipment

\$20MM in revenue annually

Sonoco's New Segment Structure

Industrial Paper Packaging

Consumer Packaging

All Other [Healthcare and Protective Packaging]

2021 Key Base Earnings Assumptions

Business activities return to pre-COVID levels around mid-2021

Sales Volumes/Mix growth at 2%

Full-year impact of Can Packaging acquisition and Europe contract packaging divestiture

Key price/cost index changes

- OCC projected at \$90/ton
 - Composite resin index increasing ~10% over 2020
-

Inflation headwinds including freight and insurance

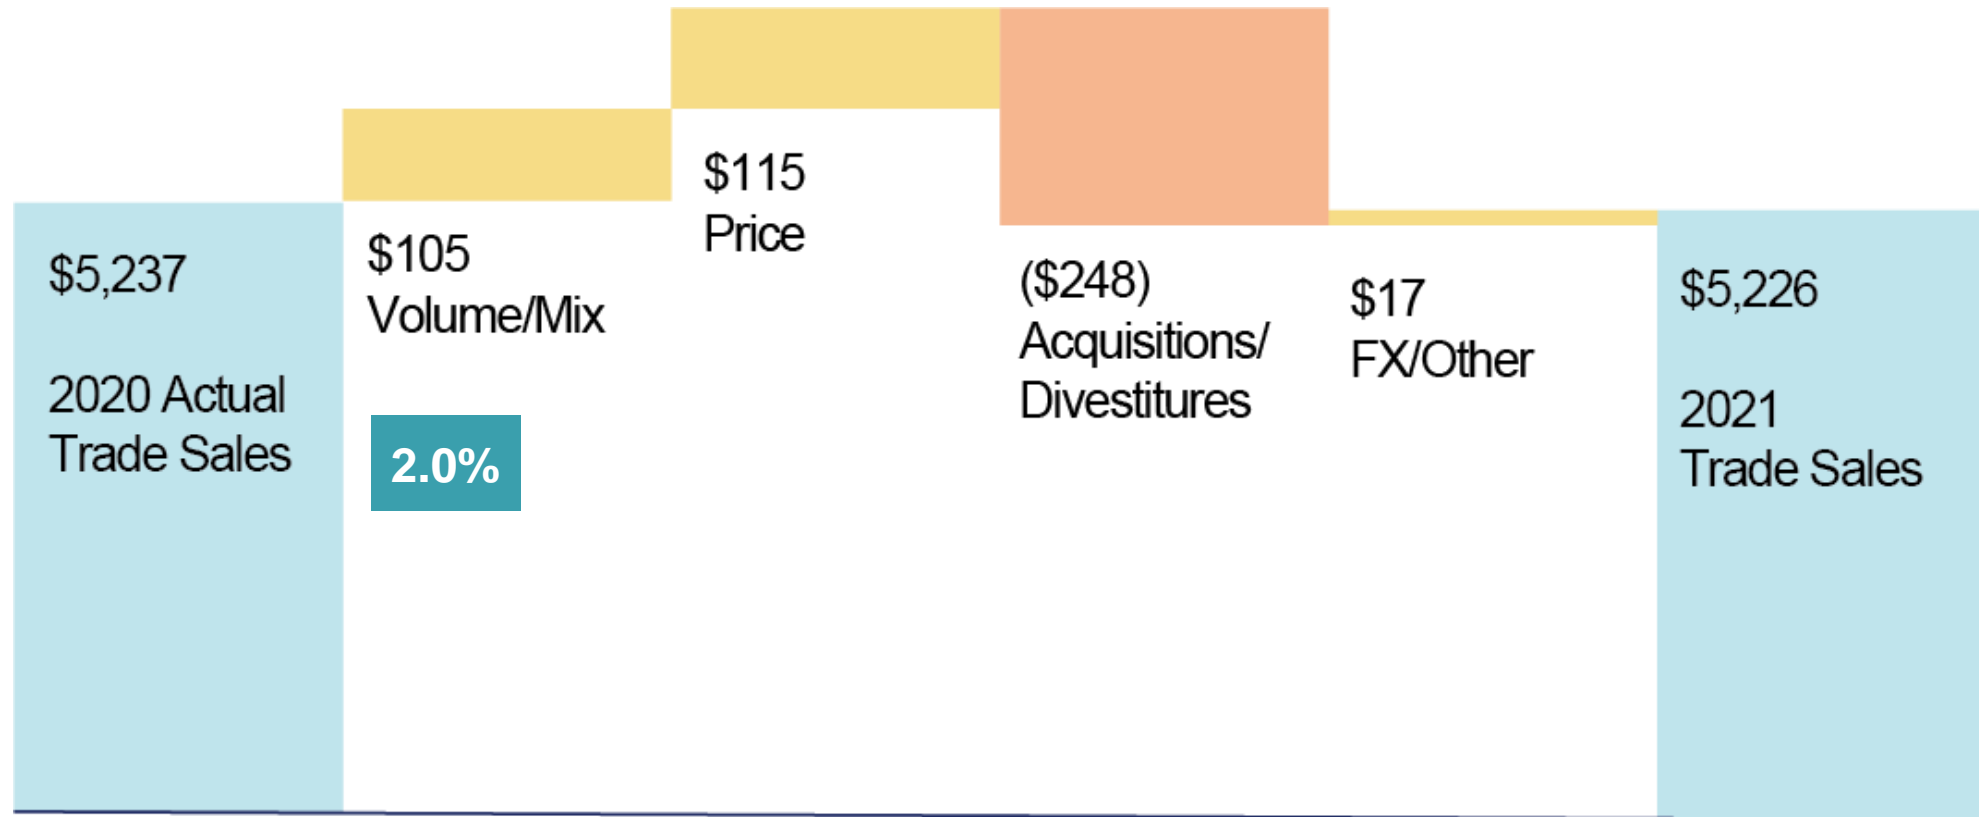

Interest expense lower by \$12 million due to debt repayment and refinancing actions

Base effective tax rate is 25.4%, which is flat to 2020
